Overview of Student Merit Scholarship Fund

As superior Scholarship, "the possession of learning characteristics of the advanced scholar in a specialized field of study or investigation" commands appreciation, the Lodge has established a Student Merit Educational Scholarship Fund to recognize and reward academic excellence in our youth. Scholarship awards will be allocated on an objective basis. The applicant must be a high school graduate, accepted into, or a student currently attending an accredited college, university or vocational technical school on a full-time undergraduate basis and shall have an academic grade point average of 3.0 or greater, based on a 4.0 grading system.

The Lodge Scholarship Program is available to sons, daughters, grandsons, granddaughters or legally established guardians of living Franklin/St. John's/Trinity Lodge members in good Masonic Standing. Each year the sum of up to \$5,000.00 will be made available for this program with individual scholarship awards not to exceed \$1,000.00 per successful applicant.

In addition to the completed application, an official transcript or an official representation of the applicant's current grade point average must also be submitted. The Lodge encourages each applicant to provide a brief statement indicating why they should be considered for an award. All candidates must be sponsored by a living Franklin/St. John's/Trinity Lodge member in good Masonic Standing. In order for a Scholarship Application to be valid, it must include the authorized signature of a sponsoring member, to confirm their support and agreement to do so.
